

12 Things To Do Before You Start Homeschooling Checklist

- 1. Check for your states homeschool requirements
- 2. Figure out if you want to homeschool independently, with a self-led charter school, or a satellite charter school.
- 3. Give yourself 2 to 3 months to plan your homeschooling year. ie. Lesson Planners, Calendar, etc.
- 4. Plan for preparing to keep records. Attendance sheets, yearly transcripts for older children and so on.
- 5. Plan holidays, co-ops, field trips, etc. for the year
- 6. Create or use my free printable lesson planner
- 7. What type of learning style is your child?
- 8. What's your type of schooling?
- 9. Research Curriculum
- 10. Create daily schedule (bell schedule)
- 11. Write down goals for your homeschool desires
- 12. Plan out your workspace for your homeschooling
